

HELP US PROMOTE THE CAMPAIGN!

The Chamber has developed an exciting new campaign, designed to promote your business. Buy Mower/Grow Mower asks residents to shift back 10% of the dollars they currently spend out of town, back to businesses located in Mower County. The impact could be huge for our community and your business. The Chamber Board has made this campaign our top marketing priority for 2008 and beyond. To get our message out, however, we will need your help: Both financially and in your place of business. Read below for two ways you can help promote the campaign! All funds raised will go directly into advertising.

Sponsorship Opportunities

Yes, county me in:

Point of Sale Displays & Prizes
